MULTILINGUAL OPTION FR-EN-DUT DEFIBRILLATOR FRED PA-1 SCHILLER

Ref. SSACCE001

Trilingual option with activation code depending on the option chosen

Description

Without specification, French is installed on FRED PA-1 defibrillators.

But with this Option you can choose to have 3 languages available on FRED PA-1 defibrillators.

To do this, choose from the list of codes below the trio that interests you and also choose the language with which the device will start (among this trio).

Don't forget to add the code and the name of the desired language first in the comments of your shopping cart. languages: pack 100 (English, French, German) / languages: pack 101 (Dutch, German, French) languages: pack 102 (Arabic, English, French) / languages: pack 104 (Catalonian, Spanish, French) languages: pack 105 (Dutch, English, French) / languages: pack 106 (English, French, Spanish) languages: pack 107 (English,

Portuguese,
Spanish)
