MINI BAG EIFFEL, DE BOISSY

Ref. MDEIFF02

The mini version of the EIFFEL Medical Bag

Description

Chic and simple at the same time, the EIFFEL mini bag recalls the shape of the traditional leather bag of doctors.

Thanks to its bidirectional opening and multiple pockets/compartments, it makes it easy to store and reach all the care equipment and diagnostic instruments that healthcare professionals need.

Of a mottled gray, the polyester fabric is resistant, durable, water-repellent and therefore washable, it is accompanied by a reflective strip for safety, and YKK® slides for their quality.

- A main space that includes 6 pockets and 1 removable velcro divider. The large bidirectional zip opening gives very easy access to diagnostic instruments and care equipment
- A ventral pocket (31x15cm) opens completely with on one side 2 zipped storage nets and 2 flat pockets, and on the other side several elastic loops that allow to store small care supplies: pliers, scissors, pen lamp, thermometer, bandages, pens, etc...
- There are also four small external zipped pockets and another on the side with elastic to slide the bottle of hydroalcoholic gel that remains easily accessible at any time
- Padded and solid handles, a padded and adjustable shoulder strap - A name tag to identify the bag
- A non-slip bottom to reduce friction and wear
- Dimensions w x h x d: 32 x 28 x 20 cm- Weight: 0.95 kg
- Maximum recommended content: 4 kg / 15 liters
- Sold empty
