DORO SMARTWATCH - ROSE

Ref. THDWATC01RC

The connected watch that tracks activity and health data.

Description

The Doro Watch is a non-stigmatizing smartwatch, easy to use and readable thanks to its large icons and beautiful bright screen. The touch screen and a single, ultra-intuitive interface allow you to access the various functions of the watch such as the clock, health settings, activity tracking or device charging at the swipe of your finger. Design and elegant, the watch is easy to start and has a battery life of one week. Its IP68 protection makes it splash and dust resistant. The watch face can be customized and the straps are interchangeable. The Doro watch can also interface with any smartphone

The little extra, when the watch is connected to a Doro 8100 smartphone, an assistance button allows you to warn loved ones in case of emergency and to put the phone on speaker: the "My Response by doro" application sends the alerts as well as the geolocated position.

- Large screen of 1.28 inch
- Bright and contrasting screen- Screen resolution: 240 x 240 pixels
- Large icons for visibility and readability
- Clock, Notifications, Health data (pedometer, calories, heart rate, oxygen saturation, sleep), ICE function (In Case of Emergency)
- IP68 protection / 6H Hardness glass
- Customizable bracelets and dials
- Watch dimensions: 13.4 x 45.3 x 45.5 mm / Watch weight: 45g
- Battery life: Up to 7 days.
- Charger base provided.
