

GREY FUSE® PRESSURE INFUSION CUFFS

TECHNICAL SHEET

All our pressure infusion cuffs are manufactured in France, in our Manufacture in Castelculier (near Agen)!

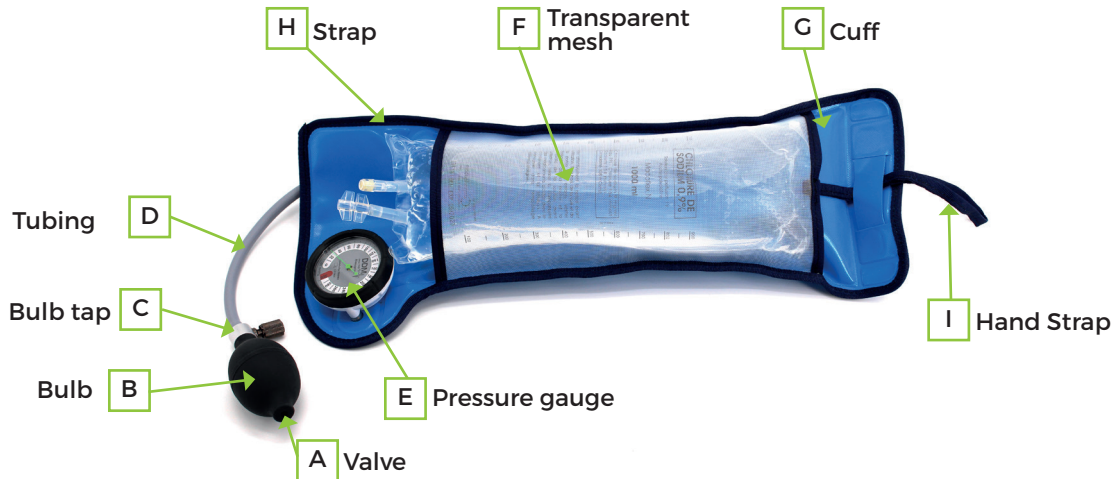

Grey Fuse pressure cuffs are made from a single unit:

- robust design
- high-quality technical fabric
- easy cleaning and decontamination
- wrist strap for attaching the device to the serum stand on the M25000.
- hook to hold the solute bag on the M25000 due to the weight of the solute bags
- transparent polyamide weave and mesh fabric for easy viewing of the solute bag

CE
