

Madrague CONVERTIBLE MEDICAL BACKPACK

4-in-1, the backpack can be converted into a briefcase and thanks to its extension zip, you have a choice of two sizes:

- A backpack
- A large backpack
- A briefcase
- A large briefcase

Eco-friendly, with its urban style, the Madrague backpack is elegant and fits your need.

A true fashionable Swiss army knife for optimising care and diagnostic equipment storage.

DESCRIPTION:

- A main space with 3 detachable transparent compartments held in place with Velcro + 1 isotherm pocket with cold gel pouch
- A padded secondary space for storing documents and a laptop/tablet
- An extension zip to gain 6 litres
- A ventral pocket (45x21cm) with 2 zip net pouches, 2 flat pockets and a side with elastic loops
- 2 outside zip pockets and another with an elastic strip so that your gel bottle is always to hand
- A detachable front pouch with a customisable grained leather appearance on the front, using the MOLLE system
- External USB port with built-in charging cable
- An inner fabric that hints at your job with the De Boissy monogram
- Shoulder strap, straps and handles can be hidden
- A name holder to properly identify your bag
- A non-slip side to reduce rubbing and wear in briefcase mode
- Fabric made from GRS certified recycled materials that are washable, resistant and water-repellent
- Medical equipment you can on pics is not sold with the bag
