

# Madrague MEDICAL BAG

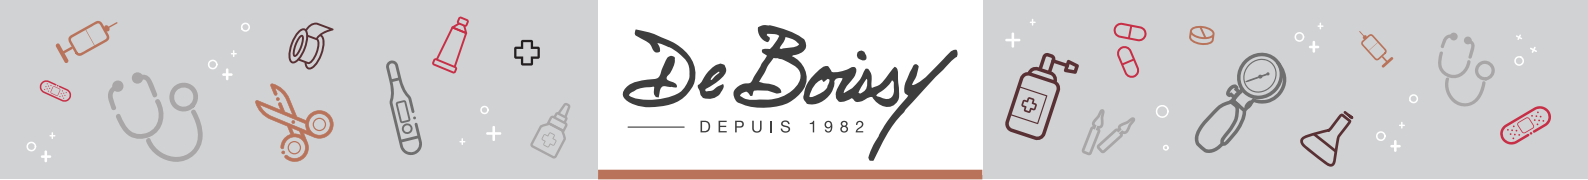

*Sparkling pink-red, the Madrague bag is elegant while always remaining «super well organised». A mix of modern and vintage, a wink at the doctor's emblematic leather bag.*

*On top of that, it is **eco-friendly**, customizable thanks to its front pocket and practical with its USB port.*

## DESCRIPTION:

- A main space with 6 pockets, 2 removable Velcro separators and 1 padded compartment for a laptop computer
- Sold with 2 detachable pouches: 1 transparent and 1 isotherm (with a reusable cold gel pouch)
- Inside, there is a hook for attaching keys and an elastic band for a water bottle
- A ventral pocket (40 x 20 cm) with 2 zip net pouches, 2 flat pockets and a side with elastic loops
- 3 outside zip pockets and another with an elastic strip so that your gel bottle is always to hand
- A detachable front pouch with a customisable grained leather appearance on the front, using the MOLLE system
- External USB port with built-in charging cable
- An inner that hints at your job with the De Boissy monogram
- Padded, strong handles
- A padded, adjustable shoulder strap
- A name holder to properly identify your bag
- Non-slip pads to reduce rubbing and wear
- Fabric made from GRS certified recycled materials that are washable, resistant and water-repellent
- Medical equipment you can on pics is not sold with the bag
